Amendment to the 2015-2020 Consolidated Plan and the 2019-2020 Annual Action Plan

Background

The city of Phoenix Annual Action Plan (AAP) details the funding strategies for the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), HOME Investment Partnership (HOME), and Housing Opportunities for Persons with AIDS (HOPWA) programs. Additionally, the Annual Action Plan describes how funds will be used to address the priorities and goals outlined in the 2015-2020 Consolidated Plan (CP).

The city's Citizen Participation Plan (CPP) describes the efforts that the city will take to encourage its residents to participate in developing these plans. It also provides requirements for public process when an amendment to the Annual Action Plan is processed. The following change(s) constitute an amendment and require public notice as described in the CPP:

- Making a change in the allocation priorities or methods of distribution of funds delineated in the CP or AAP,
- Carrying out an activity, using funds from a program covered by the CP or AAP (including program income, reimbursements, repayment, recaptures, or reallocations from HUD), not previously described in the CP or AAP,
- Changing the purpose, scope, location, or beneficiaries of an activity.

Proposed Amendment

The \$155,938.06 will be utilized for Homeless Support and will specifically fund Emergency Shelter activities in an effort to prevent, prepare for, and respond to the COVID-19 pandemic. The ESG-CV allocations are funded as follows:

CDBG-CV Allocation	Award Amount

ESG-CV2	\$19,212,248.00
ESG-CV3	\$155,938.06
Totals	\$24,343,948.06

Analysis

This proposal qualifies as an Amendment based on the following criteria:

- Carrying out an activity, using funds from a program covered by the CP or AAP (including program income, reimbursements, repayment, recaptures, or reallocations from HUD), not previously described in the CP or AAP

Public Process

As a part of the CARES Act, Public Law 116-136, enacted on March 27, 2020, includes a waiver as HUD approved for an expedited public outreach process to allow flexibility to institute more streamlined

requirements to address immediate needs relative to COVID-19. The HUD abbreviated process includes the following:

- The reduction of a 30-day public comment period and the implementation of a public comment period of no less than five days in an effort to expedite the Consolidated Plan Substantial Amendment process and allow the City to respond as quickly as possible to the immediate needs in the community, and
- The elimination of the in-person public hearings and the implementation of virtual public hearings when: National and/or local health authorities recommend social distancing and limiting public gatherings for public health reasons; and virtual hearings provide reasonable notification and access for citizens in accordance with Phoenix certifications, timely responses from local officials to all citizen questions and issues, and public access to all questions and responses.

The City of Phoenix published a 5-day comment period in the Arizona Republic on October 5, 2022, as a part of the CPP requirements. The 5-day public comment period is scheduled for October 19, 2022 – October 25, 2022.
