Tips for writing a grant application

- Read the guidelines and follow the instructions. Pay attention to word limits.
- Outline or map out your project
- Get to the point: Be specific and clear. Stay focused.
- Do not use jargon, unnecessary references, or “fluff.”
- Use active voice.
- Edit your work – Have at least two people proofread your application.
- **Very important:** Contact the grant manager/director for questions and feedback.
