Traffic Fatality in West Phoenix

(April 1, 2023): Phoenix police are investigating a single-vehicle traffic collision that resulted in the death of an adult female passenger.

Phoenix police officers responded to a call of a serious vehicle collision just before 3:15 a.m. at 43rd Avenue and Thomas Road. When officers arrived, they found a single vehicle involved in a collision. The fire department arrived on scene and transported a woman and two men to the hospital in critical condition. There was also damage to an electrical pole that resulted in electrical wires on the roadway.

Detectives responded to the scene and learned the driver of the vehicle lost control, left the roadway and struck an electrical pole that caused the vehicle to land on its side. The woman, a passenger inside the vehicle, was ejected as the vehicle rolled over and suffered serious injuries.

The woman later died from her injuries at the hospital. Both men are expected to survive. Impairment maybe a factor in this collision.

The investigation remains active as detectives continue to process the evidence. No arrests have been made.
