Aggravated Assault on an Officer / Officer-involved shooting

On February 6, 2021, Phoenix Police officers responded to a call reference an unknown armed suspect in the backyard of a victim's home. While on the phone with 911, the victim added that she was hiding and that the suspect had now entered the home.

Officers arrived on scene and evacuated the victim out of one of the home's windows. A two-officer unit went to the back of the residence and took a position behind the block wall. One officer saw the suspect exit the arcadia door and enter the backyard. The suspect was armed with a handgun, and the officer gave him commands to drop the gun, but he refused and raised it toward the officer. The officer fired one round, and struck the suspect, ending the threat.

Life saving measures were started by officers, but the suspect was pronounced deceased on scene by Phoenix Fire.

A firearm was discovered under the suspect and there were no injuries to any officers or other community members.

The investigation is still ongoing.
