Aggravated Assault on an Officer Investigation

On May 30, 2021, at approximately 5:07 p.m., Phoenix Police Officers responded to an order of protection violation near 3900 West Wood Drive. The male suspect was reported by his children to be at the home in violation of the order which was served approximately two weeks prior.

When the first officer arrived, he was immediately engaged with the suspect who was pointing a firearm at him while exiting a screened area near the front door of the residence. The officer responded to the aggravated assault, exchanging gunfire with the suspect. The suspect was injured.

Additional officers arrived and took the suspect into custody. The officers began administering first aid until the Phoenix Fire Department arrived and transported the suspect to the hospital.

The suspect is currently in critical but stable condition and will be booked on several charges after he is released.

There were no injuries to officers or community members, however there was an occupied residence in the area which was struck by the suspect's gunfire.

During the on scene investigation, detectives learned that the suspect's vehicle had been set on fire and that the suspect had taken a vehicle at gunpoint near 28th Drive and Cactus.

The suspect forced the victim from that robbery to drive him a few blocks away from the scene of the officer involved shooting. The victim was not injured and drove away once the suspect got out of the vehicle.

This is an ongoing investigation.
