

UPDATE

3rd Avenue, Osborn Road to Indian School Road Proposed Lane Changes & Improvements to the Phoenix Sonoran Bikeway

March 12, 2021

The City of Phoenix Street Transportation Department greatly appreciates the response we received from the community through the public outreach process regarding proposed lane changes along 3rd Avenue, Osborn Road to Indian School Road. Thank you so much to those who participated in our virtual meeting and provided input via the digital survey!

Based upon the information presented at the meeting including the traffic analysis and the community input received, the Street Transportation Department will be moving forward with the proposed changes.

This location will receive new microsurfacing treatment as part of the [Accelerated Pavement Maintenance Program](#). The paving work has begun and will continue throughout March 2021 (weather permitting).

After the paving work is complete, the proposed lane changes will be striped as shown below. The vertical protection is anticipated to be installed in late spring/early summer 2021.

This striping layout will vary slightly near the intersections.

We're paving more than ever before! To view all of the city's pavement maintenance plans through 2023, visit phoenix.gov/pavement and click on the interactive dashboard.

We welcome and value your questions and feedback. If you have any questions or need additional information, please contact us at:
